

Kitsap Great Give - May 3, 2016

DONATE

What if everyone in our community came together over 24 hours for a national day of local giving? That day - the Kitsap Great Give on May 3 - is fast approaching and Bainbridge Public Library is proud to be part of it. We are joining a partnership between Kitsap Community Foundation and local nonprofits, including more than 100 communities across the country, to raise millions of dollars for the greater good.

The Kitsap Great Give is part of a larger National Day of Giving that takes place on the first Tuesday of every May. Starting at the stroke of midnight on May 3, Kitsap County communities will unite to give locally online for 24 straight hours. Last year, donors doubled the online gifts and raised more than \$1 million for Kitsap nonprofits.

The event, which is one of the biggest days of charity ever in our community, is organized by the Kitsap Community Foundation and the United Way of Kitsap County, for the benefit of the greater Kitsap area.

You can review the profiles of 200 local nonprofit organizations, including Bainbridge Public Library, on this website www.kitsapgreatgive.org. Did you know the Bainbridge Public Library is an independent, all-volunteer nonprofit organization that owns, maintains and manages the building and its grounds - solely through private donations?

You can help the Library by participating in the Kitsap Great Give. Every gift given to local nonprofits will be increased by a national pool of matching funds. Your \$100 donation could become \$120 or more actually going to the nonprofit. Your donations can also help the nonprofits win extra donation prizes throughout the day.

There are three ways to help: Pledging to your local nonprofit, spreading the word and going online to make your donation on May 3. You can donate to as many organizations as you like.

Help our community reach the goal of raising \$1.5 million for charity in one day.
